*"The Home of the Falcons"*

September 13, 2017

Dear Parents/Guardians,

It is with great pleasure that the Fairview staff and I invite you to our Back To School Night 2017-2018. Please join us on Thursday, September 28, 2017 from 6:30-8:00. At that time, we will invite you to visit your child's classroom. The purpose of Back To School Night is to meet the teachers and learn about your child's school day, the curriculum and the expectations of the teachers.

We will begin the night in the gym at 6:30 PM at which time I will welcome everyone, introduce the staff and the Home and School Association. Once the meeting in the gym concludes, you will have an opportunity to visit your child's classroom. This year we will offer **two** visiting sessions which will give you the opportunity to visit multiple classrooms, if you have more than one child. The first session will be from 7:00-7:25 and the second session will be from 7:30- 8:00. When you visit your child's classroom, the teacher will give you time to sign up for a Parent/Teacher Conference and to update your child's emergency contact information.

Our teachers have begun the year by evaluating the learning styles of the children in their classrooms. They are presenting daily lessons that meet the needs of each learner. We are excited to meet with you and share the wonderful things we have planned for this year.

We are fortunate to have an extremely talented staff and a committed parent community. I look forward to meeting you at Back To School Night and kicking off our new school year.

**Back to School Night is for our adults. Please DO NOT bring the children.**

All my best,

Ginamarie Mignone, Principal
