Ms. Zarro's
Physical Education
Classroom Management Plan

Philosophy

I believe that school should be a place where children are safe and feel safe to express their ideas and opinions. In order for this open interaction to take place students need to know that they will be respected and listened to. I will ensure this type of environment by having the students follow the rules, procedures, and expectations that I have set up. I will also stress a few goals that the class will be striving for throughout the year. The students in my class will have very few rules to follow, but those rules will be taken very seriously. The importance of these rules in a physical education class is essential to the learning in the class. Every student is expected to be safe. Accidents might happen throughout the year, but it is part of my job to ensure that accidents occur the least amount of times as possible. **In my class students are expected to respect other people** the equipment and their surroundings, and most importantly themselves. In my class students will be graded on their skill level, sportsmanship, and preparedness, and if they try their best, and follow directions and procedures. Of course all other school rules would be followed in my class as well.

P.E. Rules

To keep us on Target

1. Always be safe.
2. Always be nice.
3. Always do your best.

If you follow all the gym rules then you will see just how much Gym Rules!

Consequences

- K-3 Students will be on color scale

Green- Students are doing their best to participate and are on task.

Yellow- Students are reminded of school rules. Student will recognize their mistakes. Be careful of moving to Red.

Red - Stop and Sit, decision making, and learn from experience. Reminder card given out or parent contact depending on severity.

• Grade 4, 5, and 6

- Remind students of rules.
- Talk with students about the significance of the rule they were breaking.
- Students will write a letter home to parents. Parents will sign letter to give back to Ms. Zarro.
- Teacher will call home to inform parents what choices they are making in PE class.
- These consequences will be given depending upon the severity of the circumstances, or the recurrence of the rule breaking.

OOPSY! I forgot my sneakers.

If students miss One Day it is OKAY.

If students are going to miss more than one day, students are **required to have a**

Doctor's Note/ Parent Note. Also, the school NURSE MUST be notified on any Long Term Medical Excuse. Medical History. It is important that all my students are taken care of during school hours

Procedures in Physical Education

- Students will arrive and walk safely into the gym to their assigned spots.
- Students will come prepared to gym with sneakers. If students do not have sneakers they will be sitting out. (Remember participation is Key to students' success in P.E.)
- Students will do warm-up activities.
- 4. Instructions will be given for the day's activity.
- Students will participate in the activity.
- Students will participate in a closing discussion. (Teacher will assess all types of learning objectives)
- Students will exit P.E. with a smile and line up appropriately on their way out.
- It is important for families to feel involved in our classroom. Parents are welcomed to e-mail and check out our school webpage for upcoming events in our gym.

Looking forward to a Fantastic 2017-18 School Year!

Lets Start on the Right Foot!

Always Remember your P.E. Days!

-Quotes that will be used in my class

"My eyes tell my brain what to do!"

"Take your space..Respect your place!"

"Share...it shows you care"

"The mind is like a parachute: it works much better when it's open."

Teacher says," P.E." Students respond, "4kids"

Red means, "Stop" Green means , "Go!"

Criss cross apple sauce hands on knees!

Lets...Freeze!

Arms up...Lets fly! Arms down..Slow Down!

Signals

Teacher's hand raised- signal to stop/stand quietly ready to learn.

1 whistle – Freeze

2 whistles or more- walk to teacher or line up.

Goals

1. To have a safe environment.
2. For all students to be active each class.
3. To establish an atmosphere where teamwork and cooperation is valued.
4. To promote a caring classroom environment.
5. To stay on-task and on target.

What can we wear to P.E?

Proper sneakers that tie appropriately- Running sneakers.

Do Not Wear -Slip on sneakers will not protect ankles and cause injury. Laces should be easy to tie. Converse sneakers and fancy sneakers that are not supporting ankles will also be dangerous.

No Jewlery- students tend to leave jewelry around and it will be lost. On P.E. days jewelry also can injure your child. (earings that are studs are okay, no hoop earrings.)

Clothing- We are running and stretching. Sweat pants, comfortable shorts are great for exercising and t-shirts. (jeans are not acceptable for P.E) We test for flexibility and motor skills, therefore this will affect your child's performance on a P.E. day.

We will be outside most P.E. days unless it is raining. Students can wear hats and gloves when we are outside when the weather gets colder.

Safety for all students are #1

-Thank you for understanding.
