See Other Side

Dear Friends,

Here at Fairview School we are known as the Fairview Fighters. We proudly use that team name when we are raising money to fight the fight for a cure for cancer. To continue the fight, we want to raise awareness and money to combat this disease that has affected too many loved ones. In this spirit, we are going to have a Relay for Life event at Fairview School on Friday, May 26<sup>th</sup>, 2017 during the afternoon. We ask that our class parents communicate with your classroom teacher to volunteer to assist on the afternoon of May 26<sup>th</sup>. We also request that you donate baked goods to be sold at the event.

Here are some other ways to raise money prior to our relay:

\*Every classroom has a donation cup. This cup is for donating money that will go directly to The American Cancer Society from our school. Every penny counts!

\*Your student's teacher has footprint cards. They are sold for \$1.00. If a student/family purchases this card, they may sign their name, decorate the card, and return it to school to be a part of a visible decoration here at Fairview School!

\*Teachers also have luminaria bags that are sold for \$10. You can decorate these bags with positive messages of encouragement, in memory of a loved one, or in celebration of someone who has fought and won the battle! Whatever message you want to say will be displayed in the darkened gym during the relay.

\*Friends and Family are welcome to purchase any of these items as well.

\*Donations can be made in any amount. Checks should be made payable to The American Cancer Society. We ask that you reference Fairview School on the memo line of your check.

*We are a family here at Fairview School and we will fight this fight together! Thank you in advance for your thoughtfulness and support!*

The Fairview Staff
